| 1     | Potential inconsistency observed in the Terms of Reference. Specifically, the activity “ <i>Completion of due diligence on selected bidder and delivery of Due Diligence Report</i> ” is referenced in <b>Section 7 – Remuneration Schedule</b> as a payment milestone (10%) but does not appear to be included within <b>Section 5 – Scope of Work</b> .            | The due diligence report for the selected bidder is within scope. This is envisioned to be part of the procurement process under Section 5 (phase II).   |
| 2     | With reference to section 6 of the Terms of Reference, copied below for ease of reference, please confirm whether it is mandatory that the Technical Advisor must be the Lead Advisor, or whether any other firm within the consortium may be the Lead Advisor (i.e. financial or legal advisor).  | The Transaction Advisor (TA) will be a single organisation or consortium of firms led by a <b>Technical Advisor</b> . The Lead Advisor will be held accountable in terms of the Transaction Advisor contract for ensuring Project deliverables and for the professional conduct and integrity of the team. |
